HELP US SPREAD THE NEWS!

WHY?

Because we need more STEM talents in Europe! This course is especially good for teachers who want to improve their STEM career counselling through direct online lessons and instruction in **collaboration with major companies!**

WHEN?

The course starts on 16 April 2018. It is possible to finish the course in 4 weeks minimum and maximum 9 weeks. All those who complete the course receive a certificate of participation.

WHO?

Scientix, in collaboration with the SYSTEMIC and STEM Alliance projects, organises this course at the European Schoolnet Academy. **Go to the web page to register** and for the schedule.
